

Midtown tables are among the most popular in the KFI Studios offering because they pair so nicely with most any seating you choose. The black powder coat industrial-look base is constructed of 16 gauge steel – strength and beauty in one.

Midtown Features:

- Black powder coat base
- Laminate top
- Adjustable glides
- Cord management in leg

Good to Know:

- Available laminates ship in 5 days
- GSA Approved
- Matching 3mm PVC edge
